

## **Decodable Books**

### **What are “Decodable Books” and why are they important?**

"Decodable Books" contain controlled vocabulary that your child can read independently or with little help from you. These books offer your child great opportunities to develop phonics skills and practice sight word identification.

### **How can I use “Decodable Books” with my child?**

Encourage your child to read "Decodable Books" that focus on the word patterns that he has learned. Your child's teacher can suggest books for you. Once your child feels that he has mastered the book, have him read it to you and to others.

## Autograph Sheet for Decodable Books

Once your child feels comfortable with reading a particular "Decodable Book," encourage him to read the book to other people. Have your child collect "autographs" from the people he reads to.
