

Structured Language Experience Story “ad” #1

Brittany, Brad, and her dad had flown to Trinidad. At the hotel they ordered a salad. They always ate scads of salads. This salad had a lily pad. Egad! The pad tasted bad. This made Brittany sad.

Brittany took the lily pad out of her salad. She was glad her dad ate it. Brad gave her dad his lily pad, too. Dad said, “This doesn’t taste bad! I’m glad I came to Trinidad!”
