

Structured Language Experience Story “al” #1

A tall man and a small woman were walking to the local mall, when all at once a calamity arose. A federal marshal was chasing a man and he retaliated by taking the woman hostage. The marshal disallowed the abduction and shot at the stalling captor. The stalk of a falling palm tree then hit the kidnapper. The man and woman decided that the next time they wanted to go to the local mall, they would drive.
