

## Structured Language Experience Story “all” #1

Wally went for a walk and along the way got caught in a squall. All Wally could do to not get wet was to run into the local mall. While in the mall, Wally decided to shop. He went to the big and tall store to buy some new pants. Then Wally went to the sporting goods store to buy a new basketball. Finally, he bought a Hallmark birthday card for his mother. When Wally was done shopping the squall was over and he continued taking his walk.
