

Structured Language Experience Story “an” #2

It was spring in Japan and time for the caveman to get ready for Batman's clan. The clan visits Japan to get a suntan. He needed a plan. He would ask Fran. She told the caveman to clean using his dustpan. So, he ran the broom over the floor. He swept the dirt into the dustpan. He threw it into the trash can. He washed the dishes in the dishpan. He drove his sedan to town for a new frying pan. He began to watch the time. The clan would be here soon. The caveman ate his bran and became very strong. He cleaned like a madman. Now the place was spic-and-span!
