

Structured Language Experience Story “at” #1

The children Patty, Matt, and Nat all had a nice chat about that spat that happened between the rat and the cat. Patty’s cat nicknamed Bratty ran after Matt’s rat Ratty. Patty tried to get her cat but Bratty wouldn’t come back. So Matt tried to get Ratty the rat to stop, but Ratty wouldn’t come out of the hole. He just sat down. Nat said, “I am glad I have a pet bat because bats don’t get in so much trouble.”
