

Structured Language Experience Story “ave” #1

The brave slave, Dave, ran down the pavement by the bushes. It was a grave situation. Dave needed to get to the cave to find a safe haven. He was unshaven and had been running for a week.

Dave had cravings for food. He had saved berries that he had found, but they did not satisfy him. However, what Dave craved the most was his freedom from slavery. Suddenly, Dave heard steps and feared that he would be found. But, the bravest little boy the slave had ever seen, waved him towards the hidden cave. Smiling, Dave knew he was no longer a slave as he entered the safe haven of the cave in Canada.
