

Structured Language Experience Story “ick” #1

“Someone has played a sick trick!” Nick panicked. “My ticket has been taken!” Nick felt sick. Without a ticket Nick could not see the concert. Nick licked his lips.

“Oh fiddlesticks! I feel like kicking the chicken who played this trick. But I’m too slick for this trick. They picked on the wrong person. I’m no hick. I paid for the ticket with Master Card. I will quickly pick up a new ticket in just a tick of the clock. No bickering, no more panicking. Just a quick ticket for Nick!”
