

## Structured Language Experience Story “ide” #1

The bride wanted to have her wedding outside. She was going to stand beside her groom. She was full of pride as she walked down the wide aisle. After the wedding, the bride and groom got to ride inside a limousine to a party. On one side of the room was the food and on the other side were the people. After the party, the bride confided to her bridesmaids that she was beside herself with joy. It was a wonderful day for the bride!
