

Structured Language Experience Story “ight” #1

It was a dark winter night, and the bright light of the moon on the snow made the ground glow. The Knights were getting ready to go to the airport to pick up their daughter, when the phone rang. It was Kate Knight who was very frightened. Her flight had been delayed that night because of ice, snow, and a whiteout. “Hold tight, Kate,” her father said. “Don’t be frightened. The captain will call your flight when conditions are right to take off.” Imagine the Knights’ delight when Kate called to say they had landed safely that night.
