

## Structured Language Experience Story “ove” #1

While driving my hovercraft to school one day, I passed a bookstore that had a very interesting book in the window. On the cover, was a dove running for governor. I must say that I was interested and I went in and bought the book.

When I got home from school that day, I went straight to the loveseat, shoved my homework under the couch and covered myself with a blanket. It was the best book I've ever read! It was all about the dove that has to go undercover to save his love from a terrorist movement called THE GLOVE. I'm glad I didn't overlook that book that day at the bookstore!
