

## Structured Language Experience Story “ul(l)” #1

On Mulberry Street a difficult bully was attacked by a super hero, Ultra Girl. Ultra Girl was a seagull.

The gull gulped air, then catapulted towards the bully. The bully was bulky, but Ultra Girl pulled the bully down. Ultra Girl bumped her skull. The skull of the gull bulged where it was hit.

“I will beat you to a pulp,” said the bully.

Ultra Girl impulsively sprayed Ultra Pulp on the bully. It became hard and it was difficult for the bulky bully to move.

“Now you’ll have time to mull things over in jail!” said Ultra Girl.
