

## Structured Language Experience Story “ur” #1

Kurt bought some new furniture for his house. He bought a burgundy couch with his Turkish currency. Kurt has a pet turtle who likes to watch the Smurfs. The turtle sits on the burgundy couch and watches the Smurfs every Thursday and Saturday. Last Thursday, Kurt’s turtle crawled up the curtains and caused them to fall. The burgundy couch got ripped and Kurt had to return it to the furniture store. This time Kurt bought a purple chair and did not allow his turtle to sit on it.
